

Payroll Direct Deposit Guide

New to my529?

You can make a contribution to your my529 account* with every paycheck. It is an easy way to keep the contributions flowing.

Set up direct deposit to make automatic, after-tax contributions to your my529 account each pay period.

Here's how

First, ensure your employer has the ability to offer payroll direct deposits. Then follow the steps below.

- 1 Click on account login at my529.org and enter your account username.

The image shows the my529 login page. It features the my529 logo at the top center. Below the logo are two input fields: "Username" and "Password". At the bottom of the form is a blue "LOG IN" button.

- 2 On the side menu, click the "Payroll Direct Deposit" icon.

- 3 Fill in the following information:
 - A. Your employer's name.
 - B. The direct deposit amount or percentage for each account.

The image is a screenshot of the my529 Payroll Direct Deposit setup page. It shows the employee's name "ALICIA CASEY" and the employer "My Company". Below this is a table with columns for "my529 Account Number", "Beneficiary", and a contribution amount. The table lists five beneficiaries, each with a contribution amount of \$ 10.00. A "Total" of \$ 50.00 is shown at the bottom right. There is a "TERMS AND CONDITIONS" section with a checkbox for "I agree to the terms and conditions" and "CANCEL" and "I AGREE" buttons.

- 4 Read the agreement and then click "I agree."

After you enter your information, you will receive a my529 routing number and bank account number.

Submit this information to your company's human resources department, or add it to your HR portal, to activate your contribution.

Your human resources department will need to add this information as a new after-tax direct deposit in the employer's payroll system. Please contact them for guidance, if necessary.

Make sure the payroll bank account type is listed as "checking" within the HR system.

The screenshot shows the my529 Payroll Direct Deposit form. The form is titled "my529 Payroll Direct Deposit" and includes a navigation menu on the left. The main content area displays the following information:

EMPLOYEE ALICIA CASEY	EMPLOYER My Company
PAYROLL BANK ACCOUNT NUMBER 52911112515	PAYROLL BANK ACCOUNT TYPE Checking
PAYROLL POSTING NUMBER 124302150	AMOUNT \$50.00

Below the form, there is an important notice: "Important: The bank account information provided above is strictly to fund the above-named employee's my529 account(s) through the means of payroll direct deposit. Any other use of this information is prohibited. The user of this information is liable for losses incurred by its fraudulent use or dissemination." There are buttons for "PRINT", "FINISH", and "LEARN MORE".

If you want to make changes to your payroll direct deposit

To make changes, click "Go to my payroll direct deposit," and you will see your last saved payroll selections.

Changes to your payroll direct deposit amount or cancellation of your direct deposit will not take place until you contact your employer with the new information.

Setting up payroll direct deposit by mail or fax

Alternatively, you can set up payroll direct deposit by submitting Form 205 to my529 by fax or by mail. You can download Form 205 (Payroll Direct Deposit) at my529.org, or you can call 800.418.2551 to request a copy. Once my529 receives and processes Form 205, you will be sent a confirmation letter with a routing number and bank account number. You will still need to provide the my529 bank account and routing numbers to your employer for payroll direct deposit to begin.

Third-party contributions (family, friends, etc.)

For questions regarding third-party contributions, please contact my529 for guidance.

UGMA/UTMA accounts

my529 UGMA/UTMA accounts cannot be funded through payroll direct deposit.

Important Legal Notice

Investing is an important decision. The investments in your account may vary with market conditions and could lose value. Carefully read the Program Description in its entirety for more information and consider all investment objectives, risks, charges and expenses before investing.
