Complete this section to indicate how contributions to your account should be invested.

- You can invest your contributions in a Enrollment Date, Static, or Customized investment option, but you may choose only one investment option per account.
- **If no investment option is selected on this form, all account money will be invested in the FDIC-Insured Investment Option.**

Target Enrollment Date Investment Option

Target Enrollment Date portfolios take into consideration the target year the account beneficiary will begin taking withdrawals to pay for education expenses. Over time, the portfolios gradually shift to a more conservative investment allocation as the target enrollment year draws closer. Investment allocations automatically adjust over time based on a preset quarterly allocation schedule.
