Additional instructions to the source account manager:

- Please remit the amount above to my529 as a check—no in-kind rollovers can be accepted.

4 Signature Authorization

Although my529 accounts only allow one account owner to be designated on the Account Agreement, all owners listed on the source 529 account or Coverdell ESA must sign on the next page.

If your source 529 plan or Coverdell ESA manager requires a medallion signature guarantee, **do not sign** until you are in the presence of the authorized officer of a bank, broker, or other qualified financial institution. A notary public cannot provide a medallion signature guarantee nor can you guarantee your own signature.

By signing,

- I authorize a rollover of the assets identified in section 3 to the my529 account identified in section 1.
- I certify that I have read the Program Description, and understand the rules governing rollover contributions from other 529 plans and/or Coverdell ESAs. I also certify that I have not rolled over these assets between 529 plans for the same beneficiary within the last 12 months.
- If the assets are being rolled over to a new beneficiary, I certify that the new beneficiary is a member of the family of the current beneficiary, as defined in the Program Description.
- I understand that a rollover not meeting these conditions may be considered a nonqualified withdrawal subject to federal and applicable state income taxes, as well as an additional federal penalty tax on the earnings.
- I understand that if my529 does not receive a statement showing the contribution and earnings components of the rollover, my529 will treat the entire rollover as earnings.

Signature Authorization (continued)

- If the my529 account or the source account is an UGMA/UTMA account, I certify that I am the custodian of the account and that the rollover is necessary for the welfare of the beneficiary.
- If the account is owned by a trust or other corporate entity, I certify that I am authorized to act on its behalf in making this rollover.
- If the source account owner named in section 2 is different than the my529 account owner specified in section 1, I understand that the source account owner must also comply with applicable rules and regulations.
- If I am a Utah taxpayer or resident, I understand that a rollover from another 529 plan into my529 is eligible for the Utah state income tax credit or deduction.
- If I am not a Utah taxpayer or resident, I understand that I should consider whether the state in which I or my beneficiary resides or pay taxes offers a 529 plan before making a rollover decision. That plan may offer state tax or other benefits to its taxpayers or residents that may not be available through my529.
- **If I am not a Utah taxpayer or resident, I also understand that I should determine whether I will be subject to adverse tax consequences if I transfer funds out of my home state's plan.**
- I certify that the information on this form is true and accurate.

MEDALLION SIGNATURE GUARANTEE

Signature of Guarantor

Note: my529 does not require a medallion signature guarantee for incoming rollovers; however, many financial institutions require them to transfer money out.

A medallion signature guarantee is a written confirmation by a financial institution, such as a bank or brokerage firm, that a customer's signature is valid. Transfer agents require a signature guarantee when transferring stocks, bonds, mutual funds, or other securities from one party to another to ensure that the transactions are legitimate.

Please check with your source 529 Plan or Coverdell ESA manager to determine if a medallion signature guarantee is required to process this rollover. The lack of a required signature could delay this rollover request.
