

Give a gift

Friends and family can contribute to a my529 account for any special occasion. Gift contributions are made securely online by using a debit card; by making an electronic funds transfer from your bank or credit union; or by mailing a check. It's the gift that provides for education in the future.

Activate your gift code

- Log into your my529 account and enable gifting to your beneficiary's account.
- Click "manage" to activate your personal gifting code.
- Share a link to the account owner's personal gift webpage and your unique gifting code.

How to give a gift

- Receive an online code from a my529 account owner.
- Contribute to the my529 account.
- The account owner receives a notification that the gift has been deposited to their my529 account.

Secure electronic payment
