my529 is an investment in the future—and an investment in your employees—all at no cost to you.

We have resources to inform your employees about the benefits of a my529 educational savings account, and we make it easy to sign up.

We can provide you:

- **Information about my529**, Utah’s state-sponsored educational savings plan, and a logo with a link to our website that you can add to your online employee benefits page.

- **Staff at onsite benefit or health fairs**. Our representatives can answer questions, provide informational materials and enrollment kits, offer employees a promotion for matching contributions and hold a drawing for a my529 college savings certificate.

- **Staff presentations during lunch hours**. Our representatives can give a 20- or 40-minute presentation to employees. Employees will receive an enrollment kit with a promotional offer and take part in a drawing for a my529 college savings certificate.

- **Webinars** on saving for future educational costs and my529 certificates.

- **Brochures and enrollment kits** to include in new employee packets.

In some cases, we can customize material for companies.
